Dear Sirs,

Association of baby food, LLC is a major Ukrainian manufacturer of baby food.

Our product range is represented by **three groups of complementary baby food from 4 months old** that are produced in three different production sites:

- **instant dry cereals:** with milk and milk-free;
- **fruit and vegetable purees;**
- **fruit and vegetable juices.**

Our strategic partners are: PepsiCo, Danone, Auchan, and different supermarket chains, who constantly monitor the quality of products supplied in addition to the implemented standards of management quality and quality of products ISO 22000, ISO 9001, FSSC 22000.

Our company supplies products for Humanitarian Staff Rinat Akhmetov's Foundation, for the Ministry of Emergency Situations of Ukraine. We also supply products to the following countries: Moldova, Turkmenistan, Romania, Belarus and Georgia.

The factory has passed international certification ISO 9001: 2008 State Standard ISO 22000: 2009, ISO 22000: 2005 State Standard ISO 22000: 2007 and FSSC 22000, version 3 ISA Cert BV (which includes HACCP and PAS 220).

By providing **high European quality** of our products, we can also provide affordable prices for all groups of complementary food. It is also important that all the raw materials that we use in our production, are grown in **ecologically clean regions of Ukraine.**

We have experience of work with various markets worldwide. Therefore we kindly ask you to **share the contacts of the companies in your country that may be interested in import of our products.**

Best regards,
Vladimir Grechko
